

Corrigendum to Tender No: 1.3-4/APMSIDC/2020-21 Dt 03-05-2020: Supply of Lab Consumables & Diagnostics reagents

S.No	Bidder Name	Tender Condition	Bidder's request	Remarks
1.	FERVID SMART SOLUTIONS PVT LTD	<p>4.1b) Offline documents with original ANNEXURE II in sealed cover should be submitted to APMSIDC, Mangalagiri on or before the scheduled date.</p> <p>4.1 b) i) original EMD instrument should be submitted to APMSIDC, Mangalagiri on or before the schedule date of technical bid</p>	<p>Due to restricted movement because of Covid-19, could the APMSIDC allow for submission of offline documents only if the bidder wins the tender. This also safe-guards the APMSIDC personnel 's health, who otherwise have to meet many people to receive the offline documents.</p> <p>This may similarly be applied to receiving original EMD in the form of DD. Or facilitate online transfer of EMD into a designate account of APMSIDC</p>	<p>i. All documents to be submitted online only. However, samples if any, need to be submitted to APMSIDC as mentioned in the tender document.</p> <p>ii. The bidder can also pay EMD and tender fees online. For bidders who wish to pay tender fees and EMD through DD, those bidders should submit the hard copy within the time specified in tender document</p>
2.	Sai Srinivasa Agencies	<p>8.6 The Tenderer shall allow inspection of the factory at any time after the opening of technical bid and during the entire contract period by a team of Experts/Officials nominated by the Tender Inviting Authority for the purpose. The Tenderer shall extend necessary cooperation to such team in inspection of the manufacturing process, quality control measures</p>	<p>As APMSIDC is aware that most of the Covid-19 diagnostic kits and other consumables are imported and are certified by ICMR. In addition to this the products are CE/US-FDA certified. Given the current Covid-19 context, it is not possible to enforce the above clause. Thus, this clause may be removed.</p>	<p>No change to tender condition</p>

S.No	Bidder Name	Tender Condition	Bidder's request	Remarks
		<p>adopted etc., in the manufacture of the item quoted. If Company/Firm does not allow for any such inspection, their tenders will be rejected. If any such situation arises after placement of contract, the same shall be cancelled at the firm's risk.</p>		
3.		<p>8.7 <i>"AP Govt Supply – Not for Sale" is to be printed on each unit supplied to the Purchaser.</i></p> <p>13.1 AP Government Supply – Not for Sale shall be printed on each item cover.</p> <p>18.2 All the Tenderers are required to supply the product(s) with printed "Andhra Pradesh Govt. Supply – Not for Sale". If there are any deviations in this condition, a penalty of 0.5% of supplied batch value shall be levied.</p>	<p>As most of the products are manufactured outside of India, stamping "AP Govt Supply – Not for Sale" with indelible ink may be permitted instead of printing.</p>	<p>Inedible ink can also be used but there is no change in penalty condition if the successful bidder do not print "AP Govt Supply – Not for Sale" on the product</p>
4.		<p><i>Annexure – VIII: Lab Consumables & Diagnostic Reagents – Tentative quantities and Specifications</i></p>	<p>Is it possible to provide 100 reactions/kit or 50 reactions/kit based on the packaging done at the manufacturer's end?</p>	<p>Pack sizes upto 250 reactions permitted</p>

8.	V.A Life Sciences		<p>RNA Isolation/Purification Kit, the tests are mentioned as 50 reactions per Kit.But the Standard pack is 100 reactions per Kit which may be please noted.</p> <p>Most of the importers/manufacturers are having standard packing as 100 reactions per kit whereas 50 reactions per kit are very rare packs.</p> <p>We also submit that there would be major difference in price of 50 reaction per kit when compared with 100 reaction per kit due to the packing conditions and volume.</p> <p>We therefore request you to accept 100 reactions per Kit Also, so that more bidders would come forward to quote the tender with very competitive prices.</p>	Pack sizes upto 250 reactions permitted
