INTRODUCTION

- 1.1. The Andhra Pradesh Medical Services & Infrastructure Development Corporation – APMSIDC (formerly APMHIDC) (Tender Inviting Authority) is a fully owned Government of Andhra Pradesh for providing services to the various health care institutions under the Department of Family Welfare and Health. One of the key objectives of the APMSIDC is to act as the central procurement agency for all essential drugs and equipments for all health care institutions (hereinafter referred to as user institutions) under the department. The corporation has also been entrusted with the setting up and running of all kinds of modern Medical and Paramedical or medical based ancillary facilities such as hospitals, pathological labs, diagnostic centres, x-ray/scanning facilities.
- 1.2. In this tender, the lowest price is the sole criteria for selecting the supplier. The two-bid system, which is followed, has been designed to eliminate those equipments which do not match the technical specifications, and to eliminate firms that do not have the financial or technical capability to provide after sales support for a period mentioned in the tender document.
- 1.3. It may be noted that the Corporation is not the agency finalizing the requirements of testing kits and their technical specifications. These parameters are finalized by the user institutions and funding agencies and forwarded to the corporation for procurement. On our side, we ensure that the technical specifications are not biased towards a particular equipment/firm, through consultations during the pre-tender meetings with the prospective tenderers. Amendments in the terms and conditions of the tender documents may be resorted to on the basis of expert advice to see that more than one firm qualifies for the final round. Technology specific specifications/conditions and entertaining direct purchase will be undertaken, if and only if, the user agency certifies the testing kit required is of proprietary nature.
- 1.4. Every paisa spend by the corporation is public money and hence accountable. Therefore, after sales service have to be given paramount importance. Corporation will be dealing with defaulters in these fronts with a firm hand, which may lead to black listing and recovery of damages. We request our valuable suppliers to avoid such unpleasant situations.

It is also essential while dealing with public money that utmost transparency has to be maintained in the procurement of the corporation. All decisions will be published from time to time on our website www.msidc.ap.nic.in. The Corporation will uphold the fundamental 'right to be heard' enshrined under the Constitution of India and will take harsh decisions only after providing opportunity for hearing/submission of facts. Tenderers could prefer appeal to the government against all decisions of the corporation. Tenderers could prefer appeal to the government against all decisions of the corporation.
