INTRODUCTION

- 1.1. The Andhra Pradesh Medical Services & Infrastructure Development Corporation – APMSIDC (formerly APMHIDC) (Tender Inviting Authority) is a fully owned Government of Andhra Pradesh for providing services to the various health care institutions under the Department of Family Welfare and Health. One of the key objectives of the APMSIDC is to act as the central procurement agency for all essential drugs and equipments for all health care institutions (hereinafter referred to as user institutions) under the department. The corporation has also been entrusted with the setting up and running of all kinds of modern Medical and Paramedical or medical based ancillary facilities such as hospitals, pathological labs, diagnostic centres, x-ray/scanning facilities.
- 1.2. In this tender, the lowest price is not the sole criteria for selecting the supplier. The two-bid system, which is followed, has been designed to eliminate those bids which do not match the technical specifications, or not having the proven technology and to eliminate firms that do not have the financial or technical capability to fabricate vehicles.
- 1.3. It may be noted that the Corporation is not the agency finalizing the requirements of fabrication and their specifications. These parameters are finalized by the committee formed by Government of Andhra Pradesh and forwarded to the corporation for procurement. On our side, we ensure that the technical specifications are not biased towards a particular firm, through consultations during the pre-tender meetings with the prospective tenderers. Amendments in the terms and conditions of the tender documents may be resorted to on the basis of expert advice to see that more than one firm qualifies for the final round. Since the fabrication is done inside vehicles which mostly cater to the underprivileged of the society, it is our endeavor to ensure that most modern, but proven and durable equipments are procured and supplied. The tender documents are prepared after assessing the market to meet such objectives.
- 1.4. Every Rupee spend by the corporation is public money and hence accountable. Corporation will be dealing with defaulters with a firm hand, which may lead to black listing and recovery of damages. We request our valuable suppliers to avoid such unpleasant situations.
- 1.5. It is also essential while dealing with public money that utmost transparency has to be maintained in the procurements of the corporation. All decisions will be published from time to time on our website www.msidc.ap.nic.in. The corporation will not wait for the mandatory 30 days period to provide any information under Right to Information Act and will provide the information within the minimum possible time. The Corporation will uphold the fundamental 'right to be heard' enshrined under the Constitution of India and will take harsh

decisions only after providing opportunity for hearing/submission of facts. Tenderers could prefer appeal to the government against all decisions of the corporation.
